Effective January 1, 2022, the following terms and conditions of this 2022 Residential Conversion Promotional Rebate Program ("Program") apply to the 2022 Residential Conversion Promotional Rebate ("Promotional Rebate") being offered by Summit Natural Gas of Maine, Inc. ("Summit") to customers receiving or who will receive residential service, as defined in Summit's Terms and Conditions (each, a "Participant").

1. Terms & Conditions: By applying for or using this Promotional Rebate, Participant agrees to be bound by these terms and conditions.

2. Unless otherwise agreed by Summit in writing, to be eligible to receive a Promotional Rebate for a natural gas meter, Participant must:

- Execute Summit's residential customer agreement for the Residential Building between December 1, 2021 and December 31, 2022;
- December 31, 2022, convert the Residential Building's primary heating system to natural gas service;

This Promotional Rebate is not available for new construction properties. Participants are limited to one Promotional Rebate per natural gas meter.

3. Eligibility Verification: Promotional Rebates under this Program will be issued at Summit's sole discretion. If the cost of converting the Residential Building's primary heating system to natural gas service is less than the Promotional Rebate Amount for the subject timeframe (after redemption of the Natural Gas Conversion and Conservation Incentive Rebate, if applicable), Participant may submit a written request to Summit to apply the remaining Promotional Rebate amount towards the cost of converting to natural gas service additional Residential Building appliances, such as water heaters and kitchen appliances. Summit may approve or deny such requests at Summit's sole discretion. Summit will not issue, under any circumstance, a cash payment to Participant for the remaining Promotional Rebate amount. The Promotional Rebate has no cash value.
